OUTDOOR FIRE INSPECTION AND COMPLIANCE SHEET

DRAW A SKETCH OF THE AREA OF YARD WHERE APPLIANCE IS LOCATED (INCLUDE BUILDING, TREES, PLAY STRUCTURE, ETC.) ON THE REVERSE SIDE.

FIRE PITS

Open cooking fires shall not be set unless the following measures are taken to limit their spread:

- Be limited to a diameter of 30 inches; and be ringed with brick, stone, or concrete;
- The brick, stone, or concrete shall be separated from grass and any other vegetation by a distance of at least 16 inches by means of clean earth, sand, gravel or other non-combustible medium;
- A receptacle must be covered by a heavy gauge metal screen with opening not exceeding .5 inches; and
- The cooking fire shall be located on private property, a distance of at least 10 ft from any property line, building or other combustible structure.

GENERAL REQUIREMENTS

1. Material which may be burned shall consist only of charcoal or cut seasoned wood.
2. The burning of the following material is strictly prohibited:
 - a. Rubbish;
 - b. Garden refuse;
 - c. Manure;
 - d. Livestock or animal carcasses;
 - e. Any material classified as a dangerous good; and
 - f. Any material which when burned will generate black smoke or an offensive odor including insulation, electrical wiring or equipment, asphalt roofing, hydrocarbons, plastics, rubber, creosote wood or any similar material.
3. Fires must be personally supervised so as to prevent their spread.
4. Fires must not be set in windy conditions conducive to creating a running fire or a nuisance to another person.
5. If smoke from a fire causes an unreasonable interference with the use and enjoyment of any other person's property, the fire must be extinguished immediately.
6. The person who the permit is issued to is responsible for any or all damages as a result of burning.

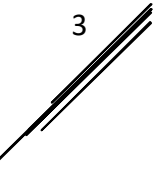

CHIMINEA AND PORTABLE FIRE PITS

1. Shall not be used on apartment balconies.
2. Shall not be used indoors.
3. Shall not be used on wooden decks.
4. Shall be separated from grass and any other vegetation by a distance of at least 16 inches by means of clean earth, sand, gravel or other non-combustible medium.
5. Shall be located on private property, a distance of at least 10 ft from any property line, building or other combustible structure.

The Village of Glaslyn and Glaslyn Fire and Rescue assume no responsibility for any burning or consequence of burning. The owner assumes all responsibility for any or all damages as a result of burning. The owner may be required to extinguish the fire at any time if it causes unreasonable interference with the use and enjoyment of other person's property.
